AN ACT to amend "The Immigration and Public Works Act, 1870," and the several Acts amending the same. Title.
[31st August, 1874.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act shall be "The Immigration and Public Works Act, 1874." Short Title.

Immigration and Public Works.

PART I.

LAND PURCHASES IN NORTH ISLAND.

Lands proclaimed under section 6 of "The Immigration and Public Works Act, 1873," may be withdrawn from operation of section.

2. Whenever by virtue of any Proclamation made under the sixth section of "The Immigration and Public Works Act, 1873," any lands shall have been declared to be waste lands of the Crown in the manner provided in the said section, it shall be lawful for the Governor from time to time, by Proclamation, to take effect from a day to be named therein, or without naming any such day, to withdraw all or any part or parts of such lands from the operation of the said sixth section :

Provided that nothing herein contained shall prejudice or affect the sale of any such lands or any part or parts thereof, or any contract or agreement for the sale of any such lands or any part or parts thereof, made before any such Proclamation shall take effect as aforesaid.

Any lands so withdrawn may be proclaimed anew under the provisions of the said sixth section, either alone or with other lands liable to be dealt with under the provisions of the said section.

Dealings with lands leased by Crown from Natives, with option to purchase, prohibited.

3. Whereas by the thirty-fourth section of "The Immigration and Public Works Act, 1870," it is enacted that the Governor may from time to time, in the name and on behalf of Her Majesty, purchase or in anywise acquire any land in the North Island of New Zealand, or any interests therein, which the owners thereof may be willing to sell convey or surrender :

And whereas, under and by virtue of the said authority, the Governor has acquired divers leases or agreements for leases of lands from the Native owners thereof, and in such leases and agreements stipulations are contained that the lessors or Native owners shall not sell the lands affected thereby to any person but Her Majesty, or stipulations to the same effect or of a like kind :

And whereas it is expedient, during the currency of such leases or agreements, and until the Governor has exercised his option to purchase the lands affected thereby, that all persons should be prohibited from purchasing or acquiring any right title or interest in such lands except from Her Majesty :

Be it therefore enacted that it shall not be lawful for any person whatsoever to purchase or acquire any right title or interest, except from Her Majesty, in any lands in the North Island of New Zealand any such lease or agreement for lease as aforesaid of which has been acquired by or on behalf of the Governor or Her Majesty, under the powers contained in the said "Immigration and Public Works Act, 1870," or any Act amending the same: Provided however that the restrictions imposed by this section shall cease to have any force or effect in respect of any lands the leases of which shall have expired by effluxion of time or shall have been otherwise determined.

All lands to which the provisions of this section apply shall be notified by the Governor in the General Government *Gazette*; such notice may, unless the lands have been accurately surveyed, describe the land in such manner as the Governor shall think sufficient, and shall specify the period of the lease or agreement for lease, and every such notice shall be conclusive evidence that the lands described therein are and remain subject to the provisions of this section during the period specified in such notice; and no deeds or other documents purporting to affect such lands contrary to this section shall be of any force or validity, or be registered in the Register of Deeds.

Immigration and Public Works.

PART II.

COMPENSATION FOR TAKING LAND FOR RAILWAYS AND ROADS.

4. In any case where no agreement shall be come to between the Minister, or any person appointed by him under and for the purposes of Part VI. of "The Immigration and Public Works Act Amendment Act, 1871," and the owners or parties by the Acts therein mentioned enabled to sell and convey or release any lands taken or required for or injuriously affected by the execution of any railway or other works therein mentioned, and where the amount claimed by any person or persons as the value of such land or of any estate or interest therein, or as the compensation to be made in respect thereof, shall exceed the sum of five hundred pounds, then and in any such case, and unless the Minister shall consent that the question of such value or compensation shall be heard and determined in the manner provided in Part VI. of the said last-mentioned Act, every such question shall be heard and determined by the Judge of the Supreme Court to whom is assigned the judicial district in which the land is situate: Provided that if the land is partly within one and partly within another judicial district of the Supreme Court, such question shall be heard and determined by such one of the Judges to whom such districts are respectively assigned as the Governor shall nominate.

In certain cases, where compensation claimed exceeds £500, claim to be heard by a Judge of the Supreme Court.

5. Every such Judge shall, in respect of any such question, have and may exercise all such powers duties and authorities as by the said Part VI. are conferred or imposed upon or vested in a District Court Judge or Resident Magistrate, and shall also, in respect of any such question as in this Part aforesaid, have all such powers of allowing costs and expenses as are conferred upon District Court Judges or Resident Magistrates under Part IV. of "The Immigration and Public Works Act, 1872."

Powers of Judge of Supreme Court.

All proceedings taken under this Part of this Act in respect of any such question or matter as aforesaid, shall respectively be had conducted and taken, and may be enforced, in like manner as proceedings taken under the said Part VI. may be had taken and conducted.

6. All powers duties and functions conferred or imposed upon, or which may be exercised by an Assessor or Assessors under the said Part VI. when sitting or acting with a District Court Judge or a Resident Magistrate, shall and may respectively be executed performed and exercised by any Assessor or Assessors sitting with a Judge of the Supreme Court under this Act.

Powers and duties of Assessors.

7. Where Assessors shall sit or act with any Judge of the Supreme Court in hearing or determining any such question or matter as aforesaid, each such Assessor shall be paid a sum not exceeding three pounds for each day or part of a day that he is engaged in such inquiry as the Judge shall fix in each case.

Payment to Assessors sitting with Judge of Supreme Court.

8. Nothing in this Act shall be construed to invalidate or affect any award decision or determination made or given by any Judge of the Supreme Court and an Assessor or Assessors under this Act, although the amount awarded may be under the sum of five hundred pounds.

Proceedings under this Act not to be invalidated by reason of amount awarded being less than £500.

9. Whereas doubts are entertained whether the provisions of the forty-sixth section of "The Immigration and Public Works Act, 1872," as to the mode of assessing compensation for taking land for roads apply to all roads constructed by the Governor under the provisions of "The Immigration and Public Works Act, 1870," and the Acts amending the same, or only to roads in the Nelson South-West

Forty-sixth section of "The Immigration and Public Works Act, 1872," as to assessment of compensation for land taken for roads, to apply generally to all roads.
