to local authorities.

9. (1.) There shall be issued and paid by the Minister of Finance out of the Consolidated Fund to the local authority of each county, road district, and town district, in respect of the general rates (exclusive of rates payable by Natives) levied for the year ending on the thirty-first day of March, nineteen hundred and thirteen, and actually collected on or before the thirtieth day of June ensuing next after the expiry of that year, the amounts to which each such local authority is entitled under the scheme of distribution set forth in the Sixth Schedule hereto.

(2.) (3.) On receipt by the Valuer-General of returns, duly verified by the declaration of the Chairman or Treasurer of a local authority, showing the amount of the rates aforesaid actually collected to the said thirtieth day of June, the amount of subsidy found to be payable in respect of such rates, less the amount (if any) advanced as aforesaid, shall be paid to that local authority; and any sum advanced in excess of the amount so found to be payable shall be repaid by the local authority to the Public Account, or be recovered by the Minister of Finance out of any moneys payable to that local authority.

(6.) The provisions of the two last preceding subsections hereof shall apply to subsidies payable to Borough Councils under the Municipal Corporations Act, 1908.

(7.) In case any doubt arises as to the several payments to be made under this section, or as to payments to be made in respect of newly formed districts wherein the local authority has not had sufficient time to levy and collect rates, the Governor in Council may decide the amounts of such payments, and his decision shall be final.

10. The Minister of Finance may transfer any sum or sums not exceeding in the whole seven hundred and fifty thousand pounds from the Consolidated Fund to the Public Works Fund, to be issued and applied to the purposes and services provided for in this Act.

Power to transfer £750,000 from Consolidated Fund to Public Works Fund.

12. Out of the moneys appropriated by this Act for the construction of public roads, and such other public works as are usually constructed by or are under the control of local authorities, sums may be paid over to such local authorities as the Minister in charge of the Department in connection with which such roads or works are constructed determines, to such amounts and upon such terms and conditions as such Minister prescribes, to be expended by such authorities upon any of the works or services for which the same are appropriated by this Act; and the Minister of Finance may make all such payments accordingly.
