1914, No. 53.

An Act to amend the Inspection of Machinery Act, 1908.

5th November, 1914.

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. (1.) This Act may be cited as the Inspection of Machinery Short Title. Amendment Act, 1914, and shall form part of and be read together with the Inspection of Machinery Act, 1908 (hereinafter referred to as the principal Act).

(2.) This Act shall commence on the first day of April, nineteen Commencement.

hundred and fifteen.

2. Section two of the principal Act is hereby amended—

(a.) By omitting the definition of "Minister," and substituting principal Act the following definition therefor: "'Minister' means the Minister of Marine"; and

(b.) By adding the following definition: "'Secretary' means the Secretary of the Marine Department appointed under the Shipping and Seamen Act, 1908."

3. Section eleven of the principal Act is hereby amended by Section 11 of repealing subsection two.

4. (1.) The moving parts of all machinery shall be so guarded as to afford adequate protection to all persons working the machinery or in connection therewith, or who may be in the vicinity thereof.

(2.) The owner of any machinery who permits any moving part thereof to be used without being so guarded is liable to a fine not

principal Act amended.

Moving parts of machinery to be guarded.

Repeal.

Section 14 of principal Act amended.

Section 29 of principal Act amended.

Third Schedule to principal Act amended. exceeding twenty pounds, unless he satisfies the Court adjudicating on the matter that it was impossible to so guard such moving part.

(3.) This section is in substitution for section thirteen of the

principal Act, which section is hereby accordingly repealed.

5. Section fourteen of the principal Act is hereby amended by omitting all words after the words "any machinery" down to and inclusive of the words "working thereof."

6. (1.) Section twenty-nine of the principal Act is hereby

amended—

(a.) By omitting the words "Chief Inspector," and substituting the word "Secretary"; and

(b.) By omitting the words "cause to be granted and issued,"

and substituting the words," grant and issue."

(2.) The Third Schedule to the principal Act is hereby amended as follows:—

(a.) By omitting from the forms numbered (3), (4), and (5) the words "I have inspected," and substituting the words "an Inspector of Machinery has reported to me that he has inspected";

(b.) By omitting from the said forms the word "consider," and

substituting the word "considers"; and

(c.) By omitting from the said forms all words after the word "Dated," and substituting the following words: "at Wellington, this day of , 19 . , Secretary."

Winding-engine drivers.

7. (1.) Every person employed or acting in the capacity of engine-driver who is in charge of any winding-engine or winding machinery by means whereof persons are drawn up, down, or along any shaft, pit, or inclined plane or level in any mine or coal-mine, or by means whereof material is raised or lowered when a shaft is being sunk in any mine or coal-mine, shall be the holder of a winding-engine driver's certificate.

Traction-engine drivers.

(2.) Every person who is in charge of a steam traction-engine while being propelled or moved from place to place by its own motive power and machinery shall be the holder of a traction-engine driver's certificate, and every person who is in charge of a steam locomotive while being propelled or moved from place to place by its own motive power and machinery shall be the holder of a locomotive driver's certificate:

Provided that the holder of a locomotive and traction-engine driver's certificate heretofore granted under the principal Act shall be entitled to have charge of and drive either a steam traction-engine or a steam locomotive; and provided also that any person who may hereafter obtain a certificate to be called a locomotive and traction-engine driver's certificate may have charge of and drive either a steam traction-engine or a steam locomotive:

Provided further that this subsection shall not apply to engines and boilers used or employed in the working of any railway the

property of His Majesty.

(3.) For the purpose of this section every person shall pass an examination and containing the Board of Examiners appointed under the principal Act a certificate of competency as to his

Examination and certificate of competency.

possessing the necessary knowledge and requirements as to the

working of such engines or machinery.

working of such engines or machinery.

(4.) No certificate shall be issued under this section unless the Physical applicant produces to the Board a certificate in writing signed by a disqualification of engine-drivers.

Refer to 1927 Inset nor partially deaf, nor has defective eyesight, nor is subject to any other infirmity likely to interfere with the efficient discharge of his

(5.) The holder of a certificate under subsection one of this section shall be deemed to be the holder of a certificate under subsection two, and the holder of any certificate under this section, except the holder of a traction-engine driver's certificate, shall be deemed to be the holder of a second-class certificate under section forty-two of the principal Act:

Provided that this subsection shall not apply to electric-windingengine drivers' certificates, nor to hydraulic-winding-engine drivers'

certificates.

5 Geo. V.

(6.) Section forty-one of the principal Act, sections thirteen Repeals. and twenty-one of the Inspection of Machinery Amendment Act, 1908, and section two of the Inspection of Machinery Amendment Act, 1910, are hereby repealed.

8. The Secretary may, subject to such conditions as he thinks Exemptions. fit, exempt any boiler or machinery from the requirement as to having a certificated driver for such time as he may prescribe if it is proved to his satisfaction that compliance with such requirement is unnecessary or would unduly stop the working of the engine or boiler.

9. Section fifty-one of the principal Act is hereby amended Section 51 of by omitting the words "an engine," and substituting the words principal Act

"a steam-engine."

10. Section eight of the Inspection of Machinery Amendment section 8 of Act, 1908, is hereby amended by omitting from subsection one the Amendment Act, 1908, amended. words "fifteen horse-power or over," and substituting the words "over fifteen horse-power."

11. Subsection one of section twenty-two of the Inspection Engine-drivers in of Machinery Amendment Act, 1908, is hereby repealed, and the

following substituted therefor:—

"(1.) Notwithstanding anything in the principal Act, any person of good repute who is the holder of a certificate under the principal Act. hand of the General Manager of the New Zealand Government Railways to the effect that such person has been or is employed in the Government Railways Department in driving either a locomotive or stationary engine, and has passed an examination as driver, shall be entitled at any time to obtain a certificate under the principal Act, and the Board shall on application therefor, and without payment of any fee, grant a certificate to such person accordingly."

12. Section twenty-three of the Inspection of Machinery Amend- Fees for inspection ment Act, 1908, and section five of the Inspection of Machinery of machinery. Repeals. Amendment Act, 1910, are hereby repealed, and the fees specified in

the First Schedule hereto are substituted in lieu thereof.

13. The Acts mentioned in the Second Schedule hereto are Other amendments hereby further amended in the manner and to the extent indicated of principal Act, &c. therein.
