1927, No. 17.—*Local and Personal.*

Title.

AN ACT to empower the Greytown Trust Lands Trustees to borrow Six Thousand Pounds for the Purpose of erecting Buildings on Trust Properties. [30th November, 1927.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows :—

Short Title.

1. This Act may be cited as the Greytown Trust Lands Trustees Empowering Act, 1927, and shall be read together with and deemed part of the Masterton and Greytown Lands Management Act, 1871, and its amendments.

Interpretation.

2. In this Act—

“The Trust” means the objects for which the Trust lands are held by the Trustees thereof :

“Trust lands” means the lands described in the First Schedule of the Masterton and Greytown Lands Management Act, 1871, and includes all lands which have been acquired in addition thereto or in substitution therefor, or which may hereafter be acquired in addition thereto or in substitution therefor by the Trustees for the purposes of the Trust :

“Trustees” means the Trustees elected under and incorporated by the Masterton and Greytown Lands Management Act, 1871, and its amendments.

3. For the purpose of the erection of buildings on Trust lands the Trustees are hereby empowered to borrow from time to time a sum or sums not exceeding in the aggregate the sum of six thousand pounds, and not exceeding three thousand pounds in any year :

Trustees empowered to borrow £6,000 for building purposes.

Provided that if in any year the amount of three thousand pounds is not borrowed as aforesaid the unborrowed balance for any such year may be borrowed in any subsequent year in addition to the amount otherwise authorized to be borrowed in that subsequent year.

4. Every such loan shall be raised by the issue of debentures of not less than twenty pounds and not more than one hundred pounds each, with a currency not exceeding forty years, terminable on the thirty-first day of March, bearing interest at the rate of not more than five pounds ten shillings per centum per annum, except with the consent of the Minister of Finance, such interest being payable half-yearly on the thirty-first day of March and the thirtieth day of September in each year.

Loan to be secured on debentures.

5. The revenues of the Trust lands shall be charged with the payment of the interest and principal secured by such debentures.

Debentures charged on revenues of the Trust.

6. No debentures issued under the provisions of this Act shall be sold at a price to produce to the purchaser by way of interest more than five pounds ten shillings per centum per annum on the price paid, or such higher rate as is approved by the Minister of Finance pursuant to section four hereof.

Limitation of interest payable on debentures.

7. The debentures shall be in the form No. 1 in the Schedule hereto, and shall have coupons attached in the form No. 2 in that Schedule. The debentures and coupons shall be numbered consecutively so that no two debentures or coupons respectively shall bear the same number. Debenture-holders shall not be affected by any informality in the issue of the debentures.

Form of debentures and coupons.

8. (1) There shall be a sinking fund created for the redemption of every loan under this Act, which shall be under the control of two Commissioners to be appointed in that behalf by the Trustees, such fund to consist of moneys appropriated by the Trustees from time to time out of the revenues of the Trust and paid to such Commissioners :

Sinking fund

Provided that the contributions to such fund shall not be less in any year than one per centum of the amount of the debt for the time being outstanding.

(2) The Trustees may in their discretion remove or suspend any Commissioner appointed under this section and reappoint him or reinstate him or appoint another in his stead, and may appoint another in the place of any deceased, absent, or other incapacitated Commissioner.

(3) The Commissioners shall invest the moneys paid to them, together with all interest and profits accruing therefrom, in such securities as the Trustees from time to time direct. The purchase by the Commissioners of any debenture issued in respect of any part of the loan for which the sinking fund is created shall be deemed to be an investment of the sinking fund within the meaning of this subsection.

- (4) (a) The Commissioners shall whenever required render to the local authority accounts of all moneys and all securities in their hands.
- (b) Immediately after the thirty-first day of March in each year the Commissioners shall render to the local authority a balance-sheet showing all transactions in respect of such moneys or securities during the year ending on that day.
- (c) Such balance-sheet shall be accompanied by a certificate, signed by the Audit Office or by some person appointed by that office for the purpose, of all the securities held by the Commissioners.

Authority to renew debentures at maturity.

9. (1) Upon or at any time before the maturity of the debentures hereinbefore mentioned the Trustees shall have power to renew the same or any of them not provided for by the accumulated sinking fund, for such period as they shall determine, or the Board may borrow money for the purpose of paying so much of the principal of any loan when the same becomes payable as is not provided for by the accumulated sinking fund held for the payment thereof or by the renewal of the former debentures. Any moneys borrowed as aforesaid shall be raised by debentures issued and secured in the same manner and on the same terms as in the case of the original issue of debentures.

(2) In respect of any debentures renewed or issued under the authority of this section payment into the sinking fund shall be made by the Trustees from its revenue at such rate as will be sufficient to redeem such debentures at maturity.

Poll of voters to be taken on proposal to raise loan.

10. (1) Before any steps shall be taken to raise a loan under the provisions of this Act (other than a loan raised under the provisions of the last preceding section) the consent of the persons whose names are on the voters list of the Trust shall be obtained by taking a poll in manner hereinafter provided.

(2) The Trustees shall appoint a day and place or places for taking a poll. The day so appointed shall be not less than fourteen nor more than twenty-one days after the first publication of the notice required by the next succeeding subsection.

(3) The Chairman of the Trust shall publish for six consecutive days at least a notice in a daily newspaper circulating in Greytown setting forth—

- (a) The sum proposed to be borrowed :
- (b) The particular buildings proposed to be erected, and the estimated cost thereof :

(c) The day on which the poll will be taken :

(d) The place or places at which the poll will be taken.

(4) The Chairman shall give notice in writing to the returning officer as referred to in the next succeeding subsection requiring him to take the poll on the day appointed.

Method of taking poll.

(5) The clerk of the Trust, or some other officer appointed by the Trustees, shall act as returning officer, and shall on the appointed day proceed to take the poll in the manner provided by the Local Elections and Polls Act, 1925, for taking a poll on a proposal, and shall provide voting-papers and all other things necessary for taking the poll.

11. A proposal shall be deemed to be carried if the number of votes given in favour of it exceeds three-fifths of the total number of valid votes recorded at the poll, but not otherwise.

Result of poll.

12. The Chairman of the Trust shall forthwith give public notice of the number of votes recorded for and against the proposal, and shall declare the proposal to be carried or rejected, as the case may be.

Public notice of result of poll.

13. When any such proposal is carried the Chairman of the Trust shall send a notice thereof to the Minister of Finance, together with a statutory declaration by the Chairman or the returning officer to the effect that all proceedings required by this Act to be taken in or towards obtaining the sanction of the voters on the proposal have been duly taken, and that the proposal has been duly carried.

Notice of poll to be sent to Minister of Finance.

14. The Minister of Finance shall cause a copy of such notice to be published in the *Gazette*, and the notice so published shall be conclusive evidence that the raising of the loan to which it refers has been duly authorized under the provisions of this Act.

Notice to be gazetted.

15. If the said proposal is rejected a fresh poll may be taken, and all the provisions of this Act relating to or arising from the taking of the original poll shall, with the necessary modifications, apply to the second poll:

Provisions for second poll if proposal is rejected.

Provided that such second poll shall not be taken sooner than twelve calendar months after the day on which the original poll was taken.

16. The Trustees shall have power out of the moneys so borrowed as aforesaid—

Application of loan-moneys.

(a) To erect buildings on Trust properties in accordance with the proposals submitted at the poll of voters, and to let or lease the same to tenants, either at a weekly or a monthly tenancy, or for a term not exceeding twenty-one years in possession, at such rent and on such conditions as to the Trustees or a majority of them may appear advisable, and a lease signed by any four of them shall be as valid as if all of them had signed the same:

(b) To pay all the preliminary expenses in connection with the raising of the loan, including the cost of taking the poll, and the cost of all plans, designs, and specifications in connection with the buildings aforesaid.

17. (1) If the amount of any loan authorized to be raised under this Act is found insufficient to complete the undertaking in respect of which it is raised, the Trustees may for the purpose of completing the undertaking borrow from the same or any other lender a further sum not being greater than one-tenth of the amount originally authorized by the voters, and in any such case it shall not be necessary to give any notice or take a further poll.

Power to raise supplementary loan.

(2) The provisions of this Act other than those relating to the poll shall apply to such additional loan in the same manner in all respects as in the case of the original loan.

18. If the sum secured by any debenture or any coupon issued under this Act is not paid upon presentation of such debenture or coupon respectively at the place where and not earlier than the time when the same is payable, the holder thereof may apply to a Judge

Appointment of receiver if default made in redemption of debentures.

of the Supreme Court by petition in a summary way for relief under this Act; and the Judge may, if satisfied of the truth of the matters alleged in such petition, appoint a receiver of the whole or of such part of the revenues as are liable under the provisions of this Act for the payment of the sum secured by such debenture or coupon.

Property to vest in receiver.

19. Such part of the revenues as are liable under the provisions of this Act for the principal and interest of the loan secured by any such debenture or coupon respectively and as is specified in the order of the Judge in that behalf shall from the date of the said order, or from such other date as may be specified in that behalf in the order, vest in the receiver and shall cease to be vested in the Trustees.

Receiver may recover revenues of Trust.

20. All powers and rights for the recovery of the said revenues shall after the appointment of a receiver, and in respect of all moneys hereby vested in him, cease to be exercised by the Trustees and shall be exercised by the receiver.

Powers of receiver with respect to revenues to be exercised only by leave of Court.

21. Save as provided in the last preceding section, the receiver shall in respect of any revenues vested in him have the powers given to the Trustees, but such powers shall be exercised only upon an order made by a Judge of the Supreme Court.

Receiver to give security.

22. Every receiver shall before entering on his office give such security for the faithful execution thereof as the Judge directs.

Application of moneys received by receiver.

23. (1) All moneys received by the receiver shall be applied, pursuant to the order of a Judge of the Supreme Court, and not otherwise, as follows:—

- (a) In payment of the expenses of the application and order:
- (b) In payment of such remuneration to the receiver and in such expenses of his office as the Judge directs:
- (c) In payment of the principal and interest of the loan in respect of which the receiver is appointed:
- (d) The residue after the payment of the above, in payment to Trustees.

(2) The receiver shall account for all such moneys in such manner as the Judge directs.

Termination of powers of receiver.

24. When all the principal and interest of the loan in respect to which the receiver was appointed is paid, or at any time by an order of the Judge of the Supreme Court upon the application of the Trustees, the powers of the receiver shall cease, and he shall forthwith pay all moneys in his hands to the Trustees.
